23 Licensed Social Workers

Medicaid enrolls Licensed Social Workers but limits services to those provided to Medicare QMB recipients. Medicaid reimburses only as a crossover claim.

23.1 Enrollment

Gainwell enrolls Licensed Social Workers and issues provider contracts to applicants who meet the licensure and certification requirements of the state of Alabama, the Code of Federal Regulations, the *Alabama Medicaid Agency Administrative Code*, and the *Alabama Medicaid Provider Manual*.

Refer to Chapter 2, Becoming a Medicaid Provider, for general enrollment instructions and information. Failure to provide accurate and truthful information or intentional misrepresentation might result in action ranging from denial of application to permanent exclusion.

National Provider Identifier, Type, and Specialty

A provider who contracts with Alabama Medicaid as a Licensed Social Worker provider is added to the Medicaid system with the National Provider Identifiers provided at the time application is made. Appropriate provider specialty codes are assigned to enable the provider to submit requests and receive reimbursements for social work-related claims.

NOTE:
The 10-digit NPI is required when filing a claim.

Licensed Social Workers are assigned a provider type of 11 (Crossovers Only). The valid specialty for Licensed Social Workers is Medicare/Medicaid Crossover Only 116.

Enrollment Policy for Licensed Social Workers

To participate in the Alabama Medicaid Program, Licensed Social Workers must meet the following requirements:

- Possess certification as a Medicare provider
- Possess current certification as a licensed social worker from the Board of Social Work Examiners

Federal requirements mandate providers re-validate periodically with the Alabama Medicaid program. Providers will be notified when they are scheduled to re-validate. Failure to re-validate and provide appropriate documentation to complete enrollment will result in an end-date being placed on the provider file. Once a provider file has been closed for failure to timely re-validate, providers will have to submit a new application for enrollment.
