D DMH Non-Emergency Transportation

The Non-Emergency Transportation Program for the Alabama Department of Mental Health provides necessary non-ambulance one-way or round trip transportation for Medicaid recipients to a Medicaid covered mental health rehabilitation service.

D.1 Eligible Providers

Alabama Department of Mental Health contractors enrolled in the Medicaid program to provide mental Illness and substance abuse rehabilitation services.

D.2 Covered Service

The ADMH NET Program may be utilized for transportation of a Medicaid recipient to an authorized location for receipt of a covered mental illness or substance abuse rehabilitation service as specified in Chapter 105 of the Alabama Medicaid Agency Provider Manual. Receipt of the service must occur on the same date as the transportation event.

NET must be provided in compliance with written policies and procedures developed and maintained by the ADMH contractor which include, at a minimum, the following specifications:

- Non-emergency transportation services linked to a Rehabilitative service in which medical necessity must be established.
- All vehicles used for the transportation shall have properly operating seat belts or child restraint seats, and provide for seasonal comfort with properly functioning heat and air.
- All vehicles used for transportation shall be in good repair and have documentation of regular maintenance inspections.
- The number of individuals permitted in any vehicle shall not exceed the number of seats, seat belts, and age appropriate child restraint seats as permitted to be operated under the safety standards for the make of that model vehicle.
- All vehicles operated by the provider shall carry:
    a. Proof of accident and liability insurance.
    b. Documentation of the vehicle’s ownership.
    c. A fire extinguisher and first aid kit for company owned vehicles.

- The driver of any vehicle used to transport recipients shall:
    a. Be at least nineteen (19) years old;
    b. Be in possession of a valid driver's license for the type of vehicle used in transporting recipients;
    c. Carry, at all times, the name(s) and telephone number(s) of the performing provider's staff to notify in case of a medical or other emergency;
    d. Be prohibited from the use of alcohol, drugs, tobacco products, cellular phones or other mobile devices, or from eating while driving;
    e. Be prohibited from leaving a minor unattended in the vehicle at any time;
    f. Be prohibited from making stops between authorized destinations, altering destinations, and taking recipients to unauthorized locations. In the event of emergency, unscheduled stops are permitted. In these occasions, the driver must contact the supervisor for instructions.
- The performing provider shall provide an adequate number of staff for supervision of individuals transported to ensure passenger safety.

D.3 Service Documentation

D.3.1 Mental Illness

The Medicaid recipient's service record must fully document the rehabilitation option service provided on the date of the transportation event. The treatment plan will indicate the referral to NET services. A transportation signature log can be used to document transportation to a day program. Recipient signatures for individual/group or other rehabilitation option services will document the transportation for those services. Transportation must be an indicated service on the case plan if transportation is provided by a case manager.

D.3.2 Substance Abuse

The service record must fully document the extent and nature of the non-emergency transportation provided, including:

- Medical necessity for non-emergency transportation.
- Treatment/service plan authorization by a licensed practitioner of the healing arts.
- Medicaid rehabilitation service to which transportation was provided and the date of this service.
- Date of NET.
- Destination.
- Mode of transportation.
- Miles traveled.
- Signature of the Medicaid recipient.
- Signature of the direct service provider.
