K Top 200 Third Party Carrier Codes

This appendix lists the top 200 insurance companies that may be a third-party resource for payment of claims. The company name and carrier codes are listed numerically in Section K.1, Numerical Listing by Company Code, and alphabetically in Section K.2, Alphabetical Listing by Company Name.

Because federal Medicaid regulations require that any resources currently available to a recipient, be considered in determining liability for payments of medical services, providers have an obligation to investigate and report the existence of other insurance or liability to Medicaid. When you identify a third party resource, you should submit the claim to that resource.

Refer to Section 3.3.6, Third Party Liability, for more information about how to file a claim when another insurance company may be responsible for all or part of the cost of the medical care.
